

Transforming Lives
Through Education

ZBI/MNI

29th September 2016

Dear Parent or Guardian

As part of Melior Community Academy's self-evaluation process, we very much value working in partnership with parents and carers to help us continually enhance the quality of the education that we provide to our students.

The questionnaire on the reverse of this letter asks parents and carers to give their views on twelve aspects of your child's experience at Melior Community Academy ranging from the quality of teaching, to how well the academy deals with bullying and poor behaviour. You are able to give your views using a four point scale, from strongly agree to strongly disagree.

All completed surveys are anonymous and the academy will not have access to any information that can be used to identify a respondent. If there are parents/carers who hold different views about the academy, additional survey copies are available from the academy or can be downloaded from the Academy website in the section Downloads.

The questionnaire should then be returned to the academy by yourself or your child in an envelope and deposited at reception in the box provided or alternatively it can be emailed back to Mrs Nixon at nixonm@melior.org.uk.

I very much appreciate and value the time that you give up to feedback your views about Melior Community Academy through the completion of this questionnaire. If you have any further questions or concerns about the process, please do not hesitate to contact the academy on 01724 868666 or email: adminstaff@melior.org.uk

Yours Sincerely

Miss Z H Bidmead
Principal
