Make a note here of which seat you are in for your exams. It will be the same for all of them.

NAME:

SEAT NUMBER:

Your pockets must be emptied into your bags and you must have a black pen ready. You should enter the Exam Room in silence and sit in your seat, facing the front.

Do not be late for the exam. At the end of each exam, you will be given instructions regarding where you should go next. You must leave the room in silence.

Students with Access Arrangements will be notified, and they should go straight to PX2 for their exams. The same rules apply in respect of emptying your pockets, having your black pen ready and entering the room in silence.

Thank you.
