Dear Parents/Carers

**Year 8 Curriculum Options Evening/Parents Evening, Wednesday, 14<sup>th</sup> March 2018**

I have great pleasure in inviting you to our Year 8 Curriculum Options Information & Parents Evening.

There will be a short talk on options scheduled for the evening together with the opportunity to talk to subject leaders and teachers about their subject offer. There will also be an opportunity to meet with your child's subject teachers and discuss their progress. This will enable you and your child to make fully informed decisions regarding their subject choices for Key Stage 4.

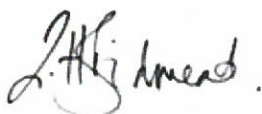

The Key Stage 4 Options Information booklet will be available to parents on arrival, which will enable you and your child to take information away and digest it before making your final selections. Your child will also receive an Options Choice form. Guidance and advice on how to complete this form will be available on the evening. This form should be returned to their form tutor as soon as possible.

Representatives from Careers Inc and North Lindsey College will be available to talk about what courses can be studied post 16 together with a careers advisor to help make informed decisions about option choices. Please be advised that option subject choices are dependent on pupil uptake.

Attached with this letter is a parental appointment sheet and your child should use this to make appointments on your behalf. Please ensure you block out any times that you are unavailable.

I hope you will find the evening informative. If you have any questions do please contact the academy for more information.

Yours sincerely
